& 65 YEARS OF LEGACY**

CITY INTERNATIONAL SCHOOL

CBSE Playgroup to Grade 12

ABOVE CLASS LEVEL ACADEMICS

PATH: Pioneering Academic Transformation & Holistic Education

FOCUS ON THE FOUNDATIONS OF LEARNING

MATHEMATICS

Is your child excelling in mathematics?

Can 6-year-olds master the basic operations of + - × ÷ in just 20 days, which normally take 4 months or more?

LANGUAGE

Is your young child reading textbooks with understanding?

Can 6-year-olds read the difficult language of newspapers in both English and Hindi after just 3 months of starting Grade 1?

Accelerating Learning for All (ALfA)

Higher academic self-concept and self-worth

Higher levels of competence in all subjects and co-curricular activities

All students, including the shy, hyper, and special needs, achieve higher levels of success

Watch 5 to 7-year-olds reading newspapers in English & Hindi

21st CENTURY SKILLS & TRAITS OF A BROADER & BOLDER EDUCATION

Collaboration

Communication

Character

Climate Consciousness

4C SKILLS

Critical Thinking

Creativity

Citizenship

Connectedness
(Social-Emotional Mental Well-Being)

Does your child mix well and work collaboratively with others?

Does your child have strong verbal and written communication skills?

Is your child strong socially emotionally and mentally?

Is your child mannered, respectful, and obedient?

Is your child a leader?

WHAT IS A GREAT EDUCATION?

CIS champions a distinctive education fostering academic excellence & shaping individuals into exceptional human beings, valuable societal contributors, & responsible global citizens. Inspired by thinkers like Einstein, Tagore, & Mandela, success at CIS is measured by progress against self. Our Accelerating Learning for All (ALfA) pedagogy ensures swift and effective learning, driven by intrinsic motivation for superior results.

Committed to broader & bolder education, we prioritize developing 4C Traits & 4C Skills to help shape well-rounded individuals, & for navigating challenges of the 21st century.
